Greetings from the Consulate General of India Johannesburg. We have pleasure in informing you that Plexconcil is organising Indian joint participation at COMPLAST 2018 (Complete Plastics Exhibition), scheduled to be held at Gallagher Convention Centre, Johannesburg from 13th to 15th November, 2018.

1. PLASTIC INDIA 2018 is, 3rd largest exhibition in the world and is organised by the apex body of Plastic Industries in India namely PLASTICINDIA FOUNDATION.

2. 2000 exhibitors in all, including 600 from overseas will participate in this mega event.

3. 200,000 visitors are expected to attend PLASTICINDIA 2018.

4. The expo aims to bring in a large number of International visitors/ buyers to increase exports from India.

5. As a part of the plan a RBSM-Reverse Buyer Seller Meet, will be organised with the support of PLEXCONCIL-Plastic Export Promotion council, during the fair.

6. This event is being organised with support from the Department of Commerce under their Market Access Initiative (MAI) scheme. Forty Seven (47) Indian companies (list attached) are participating at this exhibition through the Council.

7. Kindly disseminate the event information amongst your members and Plastic processors from South Africa encouraging them to participate in this mega event.

8. If you require any further assistance, you may forward your queries to commerce@indconjoburg.co.za and hocoffice@indconjoburg.co.za.
